

|              |                             |
|--------------|-----------------------------|
| Product Type | KS 112 A DS Terminal Blocks |
|--------------|-----------------------------|

|                         |   |
|-------------------------|---|
| <b>Connection</b>       | Screw<br>Conductor size 0,5 - 4,0 mm <sup>2</sup>   |
| <b>Fixing</b>           | By screw or rivet size Ø 3,40 mm  |
| <b>Mouldings</b>        | Polyamide 6.6, Brown<br>Flammability rating to UL 94: V-0<br>Continuous working temperature 160 °C<br>Short-time working temperature 200 °C |
| <b>Contacts</b>         | Brass, plated   |
| <b>Screws</b>           | M3: ∩ Tightening torque 0.5 Nm<br>Steel, zinc plated, chromed   |
| <b>Wire protectors</b>  | Stainless spring steel  |
| <b>Current rating</b>   | EN 60998: 24 A at T 85 °C   |
| <b>Stripping length</b> | 7 - 7.5 mm  |
